ISN'T IT TIME TO LOVE YOUR BODY?

Society sets impossible standards for women and girls today.

Denigrations such as "saddlebags," "cankles," "chicken neck," and "thigh gap" have become common and increase female body shame and disgust.

Anorexia, bulimia, bullying, and cosmetic plastic surgery have increased as females attempt to meet distorted, digitally-manipulated images of female perfection.

And a steady stream of violence against women leaves us frightened, drowning in feelings of failure, and at war with our own bodies.

But it doesn't need to be like that. We don't need to face the challenges of being female in silence or alone.

Rumble Tumble Joy: A Journey for Healing, Inspiration, and Wholeness is one woman's response, told in prose and poetry, to this disparagement and wounding. With honesty and courage, Kathryn V. White shares her most intimate thoughts and experiences as she moves away from pain to healing and wholeness.

Powerful and inspirational, this book can be used by readers to:

- explore their feelings about themselves;
- examine their body-image and self-esteem issues;
- look at how their perspectives are shaped by the media and stories they've heard or read;
- help them love and accept themselves; and to
- honor their life challenges as steps in their personal growth.

Beautifully illustrated and full of wisdom, ***Rumble Tumble Joy*** provides new insights and healing with every reading and makes a perfect gift for yourself and others.

The included discussion guide provides thought-provoking questions for personal reflection or group conversations, making *Rumble Tumble Joy* ideal for journaling, book clubs, women's groups, support groups, college and university classes, retreats, writing workshops, and healing circles.

Reading *Rumble Tumble Joy* will inspire and empower those on their journey for self-esteem. Sharing it with others will help create a community of support.

PRAISE/ENDORSEMENTS/TESTIMONIALS

"Rumble Tumble Joy provides a window into the soul of its author, Kathryn V. White, and demonstrates how one woman's story can supply a pathway of healing for many others. Kathryn's willingness to share her process of transformation will help women everywhere to find their own voices and their own liberation from society's false expectations.

The included Reader's Discussion Guide offers thought-provoking questions to aid readers in their quest for personal awareness and growth, centered around what it means to be a woman in today's world. I highly recommend this book for individuals as well as for study groups who are dedicated to helping girls and women gain true acceptance of themselves."

—Len Leatherwood, Writer, Teacher, Texas Licensed Professional Counselor

"I believe that any woman could benefit from reading *Rumble Tumble Joy*. I sat in a room with a group of women ranging in age from 16 to 56 who all had experienced some form of self-doubt, self-depreciation, harassment, abuse, and/or regret.

By reading this book together, we started a conversation that led to both tears and laughter. The room was filled with so many silly insecurities that it was almost comical once said aloud. Not only opening up ourselves, but having the opportunity to hear about others who had similar feelings and shared history, was a very powerful, healing experience. And, at the end of our time together, we all walked away smiling! What else could we do, but Rumble, Tumble, Joy!"

—Crystal Goade, Graphic Designer, Seattle, WA

“Kathryn V. White has shared her exquisitely painful and beautiful journey to wholeness. The honesty of her poetry and art reflect her courage, commitment to heal, and desire to support others. **Rumble Tumble Joy** is an inspirational resource for anyone seeking self-acceptance and healing.”

—Kimberly Petersen, MA, LMHC

“In this intimate volume, Kathryn V. White’s innovative writing and its result, a marvelous book of searing prose, is provocative—and completely compelling.

Illustrated by a backdrop of artful elements, White writes to a female reader she seems to know well. This is a reader who, as if by default, is inspired to reach further as “full of the Honey of [her]self.” Not less is the text elegantly bespangled with the drama of diamonds, spirals, and fire. ‘Stars—I would choose to pluck,’ White writes, ‘like ripe berries/To wear in my hair/To shine in my eyes.’

Ultimately, **Rumble Tumble Joy** is a source of wisdom. It is an elegant waterfall of womanly daring. I am challenged to ‘jump the dichotomies of [my] own making.’ And I do.”

—Marlee LeDai, Editor, Author of *Go Girl, Finding Adventure Wherever Your Travels Lead*

“**Rumble Tumble Joy** is a wonderfully healing read for those who struggle with body image issues. Kathryn takes the reader through her own personal journal of ‘body loathing’ but what’s wonderful is how she is able to confront the mistruths about her physical self which are expressed through very personal revelations.

The use of poetry is an excellent writing medium for such a personal topic. Kathryn has created a path for those who feel that they can never escape the prison of negative body image.”

—Tony Hansen, MA, LMHC

“**Rumble Tumble Joy**, with its gorgeously whimsical design, is as much a pleasure to look at as it is to read. Between its art-filled covers, Kathryn V. White’s writing is honest, poignant, and speaks with a simple purity that will resonate with any woman who wrestles with body image issues, any woman who seeks healing and self-acceptance.

This is one book you’ll want to keep close at hand, on your nightstand or next to your favorite reading chair.”

— Amber Lea Starfire, Author of *Not the Mother I Remember: A Memoir*

MEET THE AUTHOR—KATHRYN V. WHITE

A graduate of Williams College and the University of Washington, Kathryn V. White's creativity takes form as fiction, non-fiction, poetry, collage, mixed media, drawings, and paintings.

Travel in Europe, China, New Zealand, as well as studying at Oxford University, camping and hiking in Alaska, swimming with dolphins in New Zealand, enjoying Huichol art in Mexico, and bicycling cross-country in the USA with two women friends have widen her perspective and nurtured her curiosity.

Deeply dedicated to her personal and spiritual growth, Kathryn supports these in others. She is continually drawn to the beauty of nature, the breathtaking expansiveness of the universe, and the miraculousness of life.

Her dream is that her writings and her art help transform our world to be a healthier, wiser, and more joyful place to live.

To this end, she shares life-affirming short stories and has written *Rumble Tumble Joy: A Journey for Healing, Inspiration, and Wholeness*. This beautifully written and illustrated book is specifically for females who struggle with body-image issues and want to become more self-accepting. Praise and testimonials for her book can be found at: <http://www.kathrynvwhite.com/books--rumble-tumble-joy.html>

Kathryn has a particular fondness for colorful autumn leaves, Gerber daisies, her dog Finney, and cupcakes with butter cream frosting (the more frosting the better!).
